PROFESSIONAL EXPERIENCE

Frontend Developer   10/2022 – Present
Freelance
- Successfully completed multiple freelance projects, demonstrating the ability to work independently, meet deadlines, and deliver high-quality web solutions to clients.
- Committed to creating intuitive and visually appealing user interfaces, ensuring a seamless user experience and client satisfaction.
- Capable of analyzing complex requirements and translating them into practical and efficient frontend solutions, resolving technical challenges to achieve optimal results.

Software Tester   08/2022 – 03/2023
uTest
- Proficient in creating comprehensive test plans, test cases, and test scripts to ensure thorough test coverage and meticulous bug reporting.
- Conducted various types of testing (e.g., functional, regression, performance, usability) with a keen eye for detail, identifying and documenting defects to enhance software quality and user experience.
- Skilled in identifying, documenting, prioritizing, and tracking defects using bug tracking tools (e.g., Jira), facilitating effective communication between development and testing teams for prompt issue resolution..

Web & Go   04/2022 – 07/2022
Oradea
- Developed and maintained responsive and interactive user interfaces using React.js. Implemented reusable React components and optimized application performance.
- Leveraged Tailwind CSS to efficiently style web applications, adhering to design specifications while ensuring a consistent and visually appealing UI.
- Successfully integrated RESTful APIs into frontend applications, enabling seamless data exchange between the server and client. Implemented data fetching and manipulation techniques, such as asynchronous requests and state management, to display real-time data updates and improve application responsiveness.

EDUCATION
